

Class Championships – Announcements of Class Sponsors

We now have sponsors for each of the classes and are delighted to announce their details and are very pleased to have such fabulous sponsors. The classes will be named after their individual sponsor as follows:

The Pet Needs Pre-beginner Championship

The Dog Training Weekly Beginner Championship

The Turner Photo Art Novice Championship

The Skippers Catch class A Championship

The Albion Meat Products class B Championship

The ObedienceUK.net class C Championship

All the sponsors will have trade stands at the Final, except for Les Perry who will be very busy taking fabulous photos of the day!

We are now busy sorting out the final details of the whole event for publication later this year and will post more news and updates as soon as we can.

We are also designing posters and flyers for distribution as we want everyone working on competitive obedience to know about the Class Championships, so we will let you know when these are available and will be happy for anyone to download and distribute at clubs and training. These will be available once one last piece of information is confirmed to us!
