

.... More News on Sponsors for the Class Championships

One of the problems we are facing in organising the class champs is a total lack of funds, hence our need for sponsorship of each of the classes. We have also been seeking a main show sponsor and are delighted to announce that we have now managed to find one!

On hearing our problems, Catherine at Albion Meat Products has offered to upgrade from a class sponsor to show sponsor, pledging much needed extra finance for the 2014 event.

We are thrilled to welcome Albion Meat Products as show sponsor for 2014 and know that you will all be as pleased as we are to have such support for the inaugural event.

We are also delighted to announce that Karen Lunn has agreed that her company, Allsorts 4 dogs will be happy to step in as class sponsors for Class B.

So the amended list of sponsors is as follows;

Obedience Class Championship 2014 – proudly sponsored by Albion Meat Products

The Pet Needs Pre-beginner Championship

The Dog Training Weekly Beginner Championship

The Turner Photo Art Novice Championship

The Skippers Catch Class A Championship

The Allsorts 4 Dogs Class B Championship

The ObedienceUK.net Class C Championship

More news to follow soon on how you can all help with this event through the winter months!!
