

POSTER PROMOTION FOR THE CLASS CHAMPIONSHIPS

Now is the time for you all to spring into action to promote the Class Championships inaugural event on 22 November 2014!

Here is the poster/flyer (separate document) we have created for the Class Championships, please feel free to download, print out, display and/or distribute.

It would be great if all those who teach classes, either at clubs or privately could put a poster (or several) up at the training venue and draw everyone's attention to it.

Could all clubs put a poster up on their notice board please.

We will be arranging to have various sizes of the poster printed up ready for Crufts and for next years shows too

This is YOUR event folks, it won't happen without all of you helping, so now it needs you all to spread the word.

If anyone wants me to email the poster to them direct, then please contact us on classchamps@btinternet.com

Thank you!
