

Well, we now have 2 definite class sponsors and another possible, so its looking good. We anticipate the cost of sponsoring a class to be in the region of £100 - £150 as we have not yet finalised the trophies. So if there are any individuals, groups of friends, or clubs who are interested in sponsoring a class (your choice which class) to maybe commemorate a past dog or friend or to promote your club, then please contact us either via fb msg or email on [classchamps@btinternet.com](mailto:classchamps@btinternet.com). The class would be appropriately named after the sponsor, a representative of the sponsors will be asked to present the prizes in that class and any companies sponsoring a class will be offered the opportunity of brining a trade stand to the Final free of charge.
