COMPETITION RESULTS TO DATE.

We find ourselves in unusual times, but always planning for the future & when normality may return. Here in the Midlands we have decided to plan for Crufts 2021 by using an outdoor venue, at a time of year when the weather maybe kind allowing us to work outside, this will help us gauge interest & give us an opportunity to see you & your dog working together in 'real life'. There will be a second phase to our selection process, & for those of you making it this far you will be asked to support your application via video link or other virtual medium (to be decided), unless of course we are able to meet as a group under whatever guidelines are in place at the time. The final Crufts team will not be selected until after the level eligibility date of 31st October. We are not insisting that you provide competition results to date as they will either be non-existent, or just the same as last year, that said, please let us know how you were getting on before 'lockdown' & since, with the various virtual/online shows from any discipline, that have been taking place (please use a separate sheet to let us know what you have been up to). If you apply to be considered for the Midlands team you will be sent further details regarding the procedures for Saturday 12th in due course. We may find things change/ease/become tighter/etc etc, so you must be flexible in your approach to this process. If you are interested in being part of the Winning team at Crufts 2021, please fill in the details above and post/e-mail them to us to register your interest.

If you are selected for the Midlands Team you MUST be available to attend Crufts 2020 on Thursday 11th March 2021, attend team training sessions & possibly support your application via video link or other such virtual medium.
