UPDATED COVID SAFETY MEASURES 15/07/21-PLEASE READ

The committee of MDDTA wants everyone to enjoy our show and feel safe while doing so. There is plenty of room, so allow others space. Please follow the latest official guidance to remain cautious while enjoying your day.

Remember to bring a card, pen and clip for your ring number, which must be worn, and pencil to book in.

Our club encourages the wearing of face coverings when using the toilets at our show-unless exempt

Changes to national guidance-remain cautious

From July 19 the law and official government guidance will change. The covid specific measures for the show have therefore been updated to reflect that where appropriate. Otherwise, they remain the same as included in our schedule.

Government guidance now states that while cases are rising which is very much the case in our area, everybody needs to continue to act carefully and remain cautious. A key message is about 'minimising the number, proximity and duration of social contacts.'

It is also stated that it is important to respect and be considerate of those who may wish to take a more cautious approach as restrictions are lifted and this may apply particularly to those who are vulnerable.

Therefore, please allow a comfortable space around others throughout the show

Around the rings

Please avoid gathering around the rings and in particular ring entrance. Observe a 3-metre keep clear zone around the ring entrance except when it is necessary for booking in or competing.

Hand sanitiser will be available at each ring. Please wash or sanitise your hands frequently.

When competing do not place personal items on the score table. They must be placed on the floor away from the ring entrance. Please allow judges and stewards plenty of space.

Booking in and ring numbers

All competitors must provide their own ring number, clip, pen and pencil for the day.

On booking in each competitor, not already drawn to work, must choose a time slot to compete in each class and ensure they are available at the ring to work at that time.

When booking in, competitors will be expected to leave space between others and use disposable gloves provided to avoid multiple touching of the scoresheet and table. It would help if competitors could book in before judging commences. Scoresheets will be available no later than 8am.

No run offs

There will be no run-offs at this show. Where there are equal scores, equal placings will be awarded.

Scent

Scent will be at the end of each appropriate class

Toilets

Redcar Rugby Club are kindly allowing the use of the toilets near their squash courts, accessed from the door near their outside seating area, (rather than in the main body of the club). We are awaiting any further details of the Rugby Club's requirements, but due to rising infections rates our club is encouraging you to wear a face covering when using the toilets indoors-unless you have an exemption. Please follow any instructions posted there in terms of sanitising etc.

It would be helpful if those with caravans with their own facilities could use them during the show

Day parking (from 7.30am)

If you wish to park with friend, please arrive together. Day tents, chairs, picnic tables etc will be permitted on the rear of vehicles only. In the interests of maintaining space, nothing should be at the side of your vehicle. If you wish to park with friends please try to arrive together. Please park where instructed by the parking stewards. No entry to the venue before 7.30am.

There will be no catering van at the show so please bring your own refreshments

Will those camping please remember to pay the Rugby Club on arrival

COVID INCLUSION: The Society will ensure to the best of its ability that the event is run to Covid Safe guidelines. It is your responsibility to ensure you comply with national and local restrictions including advice given about non-essential travel in and out of locally affected regions (which must not be ignored) - in the interests of the safety of all participants this may give rise to a short notice refusal of entry at the society's discretion. The Kennel Club will respect the society's exercise of its discretion.

If a competitor, or anyone in their household, has Covid-19 related symptoms or has tested positive for Covid-19 they must isolate in line with Government advice-
