

## LUNE VALLEY DTC

### COVID - 19 SPECIFIC REGULATIONS – PLEASE READ

The show will be run in accordance with latest government Covid -19 guidelines to ensure the safety of everyone involved. Latest expectations are that Covid restrictions will be lifted on 19th July 2021 enabling the show to run as normal. However, should the government guidance change by the date of the show, LVDTC reserves the right to put additional safety measures in place to be Covid compliant.

Whatever the government guidelines by the show date, we ask competitors to comply with the following:

- Competitors must comply with latest government guidance on local travel restrictions, social distancing, and the wearing of face coverings.
- Please avoid large gatherings around the rings and in particular the ring entrance.
- Please observe a 2-metre keep clear zone around the ring entrance except when it is necessary for booking in or competing.
- ***All competitors must provide their own ring number, clip, pen/pencil for the day.***
- When booking in, competitors will be expected to observe social distancing and use hand sanitiser provided before touching of the scoresheet and table. It would help if competitors could book in before judging commences. Scoresheets will be available no later than 8.30am
- When competing do not place personal items (except for dumbbell's) on the score table. They must be placed on the floor away from the ring entrance.
- Scent will be at the end of each appropriate class.
- It would be helpful if those with caravans with their own facilities could use them for the duration of the show. There will be an elsan point in the far corner of the camping field.
- **DAY PARKING ENTRANCE:** A separate day parking entrance will be in use taking you to a larger parking area to allow for appropriate social distancing. Please follow signs past the main gate, take the next right turning and turn right onto the showground just past the farm office. Signs and parking stewards will direct you.
- If you wish to park with friends, please arrive together as spaces cannot be saved.
- Please park where instructed by the parking stewards and treat our car park volunteers with respect at all times.
- Rubbish bags will be provided for dog poo, please dispose of any other waste in the SKIP provided.
- A covid officer has been appointed to help us all remain covid compliant and that guidelines are followed; please be respectful of any instructions they may give.

**THESE ARE MEASURES PUT IN PLACE BY THE CLUB TO ENABLE US TO PROVIDE OUR SHOW ALONG COVID SAFETY GUIDELINES YOUR CO-OPERATION AND UNDERSTANDING WOULD BE APPRECIATED**
