DIRECTIONS TO SHOW

What 3 Words – rival.morphing.remover

The site can only be accessed via Gate 4 – follow the road to T junction, take a left, follow the road along the pitches on left, at the end of the grass pitches turn left and follow the road round to the large car park behind the indoor riding arena. The grass exercise area is at the back of the car park behind the hedge.

Please ensure that all dogs are kept on lead as this is a working equestrian centre with the exception of the designated exercise area – please pick up after your dogs, we do not want to lose this excellent venue...

We ask that you take your dog poo home with you ☺
